Title Bookstein, Abraham. Papers

Date 1961-2006

Size 17 linear feet (13 boxes)

Repository Hanna Holborn Gray Special Collections Research Center
University of Chicago Library
1100 East 57th Street
Chicago, Illinois 60637 U.S.A.

Abstract Abraham Bookstein (1940 -) is an information scientist. Bookstein was an assistant professor at the Graduate Library School at the University of Chicago and served as an editor for the journal, “The Library Quarterly”.

Information on Use

Access

This collection is open for research with the exception of Box 13 which contains material to which access is restricted. Box 13 contains financial materials that are restricted for 50 years from the record's date of creation. Box 13 also contains student materials that are restricted for 80 years from the record's date of creation.

Citation

When quoting material from this collection, the preferred citation is: Bookstein, Abraham. Papers, Acc #, Box #, Special Collections Research Center, University of Chicago Library

Biographical Note

Abraham Bookstein (1940 -) is an information scientist. Bookstein was an assistant professor at the Graduate Library School at the University of Chicago and served as an editor for the journal, “The Library Quarterly”.

This collection is comprised of notes, teaching materials, and other papers. A large portion of the collection contains articles that span a wide range of topics in mathematics and information science, with occasional notes by Bookstein.
